AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claims 1-22 (Canceled)

Claim 23 (Previously Presented) A disposable absorbent article to be worn about the lower torso of a wearer that facilitates an easy, intuitive change while the wearer is standing or lying down, the disposable absorbent article having a first waist region with a first end edge, a second waist region with a second end edge, a crotch region interposed therebetween, a longitudinal axis, a transverse axis, and a pair of opposing longitudinal side edges joining the first end edge and the second end edge, the disposable absorbent article comprising:

a fastening system for releasably securing the first waist region to the second waist region and providing a first fit and a second fit, wherein the first fit provides a loose fit enabling the article to be maneuvered about the wearer's lower torso during fitting and the second fit provides a secure fit about the wearer's waist, the fastening system including instructional serviceable indicia providing information corresponding to the first fit and second fit, wherein the instructional serviceable indicia comprise graphics of characters wearing the disposable article and illustrating the configuration of the article during the first fit and the second fit.

Claims 24-27 (Canceled)

Claim 28 (Previously Presented) The disposable absorbent article of claim 23 wherein the fastening system comprises a primary landing member and a secondary landing member wherein the instructional serviceable indicia are disposed on the primary landing member and the secondary landing member.

Customer No. 27752

Claim 29 (Previously Presented) The disposable absorbent article of claim 23 further comprising at least one externally visible serviceable area indicium disposed on portions of the disposable absorbent article proximate the longitudinal side edges.

Claim 30 (Previously Presented) The disposable absorbent article of claim 23 further comprising at least one externally visible serviceable area indicium disposed on portions of the disposable absorbent article proximate the first and second end edges.

Claim 31 (Previously Presented). The disposable absorbent article of claim 23 further comprising at least one internally visible serviceable indicium wherein the internally visible serviceable indicium is disposed on a body-facing surface of the disposable absorbent article.

Claims 32-37 (Cancelled)
